By optimising staff aptitude, organisations can gain several win-wins and competitive advances and 'grow your own' for the future.

Who is it for?

In education - those new, or aspiring to, senior roles; established, middle and junior leaders; those new to a leadership role or rising stars you wish to retain; course leaders or subject leaders; pastoral staff leaders; support staff leaders; those with potential to move into these roles.

In other sectors- leaders at all levels, whether 'professional/technical staff, support or administration staff or any other staff with some leadership responsibility.
